

ACCESS SOCIAL CARE SUPPORT WHERE YOU LIVE

The face to face hubs will support people to access the service, ensuring they are no longer limited to the telephone or online referral option. No appointment is necessary, and a Social Care Advisor will be available to discuss what is important to those individuals who wish to speak with somebody surrounding their care and support needs.

The information and advice hubs will take place each Wednesday at:

Wilson Centre 10.30am - 4.30pm

Bransholme Health Centre 10.30am - 4.30pm

You can also come and speak with the See and Solve Team at the following community locations, that take place during the month and include:
