

HULL ADULT SOCIAL CARE

CARE ACT DELIVERY AND IMPROVEMENT PLAN 2026

WE ARE COMMITTED TO:

SCAN TO SEE
THE ASC PLAN

1 REDUCING WAITING TIMES

- **Additional investment** in Social Work and Occupational Therapy Staff.
- **Focus on** quicker social care reviews and reduce waiting lists for equipment and adaptations.

SUPPORTING HEALTH AND INDEPENDENCE 2

- **Providing accurate and timely** information, advice and good quality signposting, that is easy to access.
- **Investing** in our social work and occupational therapy workforce.
- **Speeding up** social care reviews and reducing waits for equipment and home adaptations.
- **Investing more** in local preventative services.
- **Providing more** equipment, technology and practical help so people can stay well at home.
- **Expanding** respite options for carers and families.

3 WORKING TOGETHER

- **Improving** pathways through Adult Social Care, so that people are clear who to contact, how to get in touch and what will happen next.
- **Strengthening** joint working with the NHS and local partners to improve support in local neighbourhoods.
- **Building** closer partnerships with voluntary groups and people with lived experience.

LISTENING TO PEOPLE 4

- **Growing** the ways people can share their views and experiences of Adult Social Care.
- **Listening** more closely to understand what matters most and shape services around people's needs.
